ACCEPTANCE OF THIS POLICY

You acknowledge that you have read this Policy and agree to all its terms and conditions. By accessing and using the Website and Services you agree to be bound by this Policy. If you do not agree to abide by the terms of this Policy, you are not authorized to access or use the Website and Services. DMCA POLICY This Digital Millennium Copyright Act policy ("Policy") applies to the **blahface.com** website ("Website" or "Service") and any of its related products and services (collectively, "Services") and outlines how Blah Face, LLC ("Blah Face, LLC", "we", "us" or "our") addresses copyright infringement notifications and how you ("you" or "your") may submit a copyright infringement complaint. Protection of intellectual property is of utmost importance to us and we ask our users and their authorized agents to do the same. It is our policy to expeditiously respond to clear notifications of alleged copyright infringement that comply with the United States Digital Millennium Copyright Act ("DMCA") of 1998, the text of which can be found at the U.S. Copyright Office website.

TO CONSIDER BEFORE SUBMITTING A COPYRIGHT COMPLAINT

Before submitting a copyright complaint to us, consider whether the use could be considered fair use. Fair use states that brief excerpts of copyrighted material may, under certain circumstances, be quoted verbatim for purposes such as criticism, news reporting, teaching, and research, without the need for permission from or payment to the copyright holder. If you have considered fair use, and you still wish to continue with a copyright complaint, you may want to first reach out to the user in question to see if you can resolve the matter directly with the user. Please note that under 17 U.S.C. § 512(f), you may be liable for any damages, including costs and attorneys' fees incurred by us or our users, if you knowingly misrepresent that the material or activity is infringing. If you are unsure whether the material you are reporting is in fact infringing, you may wish to contact an attorney before filing a notification with us. We may, at our discretion or as required by law, share a copy of your notification or counter-notification with third parties. This may include sharing the information with the account holder engaged in the allegedly infringing activity or for publication. If you are concerned about your information being forwarded, you may wish to hire an agent to report infringing material for you.

NOTIFICATIONS OF INFRINGEMENT

If you are a copyright owner or an agent thereof, and you believe that any material available on our Services infringes your copyrights, then you may submit a written copyright infringement notification ("Notification") using the contact details below pursuant to the DMCA by providing us with the following information: - Identification of the copyrighted work that you claim has been infringed, or, if multiple copyrighted works are covered by this Notification, you may provide a representative list of the copyrighted works that you claim have been infringed. - Identification of the infringing material and information you claim is infringing (or the subject of infringing activity), including at a minimum, if applicable, the URL or URLs of the web pages where the allegedly infringing material may be found. - Information reasonably sufficient to permit us to contact you, such as an address, telephone number, and, if available, an email address. - A statement that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, the copyright owner's agent, or the law. - A statement that the information in the notification is accurate, and under penalty of perjury that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed. - A physical or electronic signature (typing your full name will suffice) of the copyright owner or a person authorized to act on their behalf. All such Notifications must comply with the DMCA requirements. You may refer to a DMCA takedown notice generator or other similar services to avoid making mistake and ensure compliance of your Notification. Filing a DMCA complaint is the start of a pre-defined legal process. Your complaint will be reviewed for accuracy, validity, and completeness. If your complaint has satisfied these requirements, our response may include the removal or restriction of access to allegedly infringing material as well as a permanent termination of repeat infringers' accounts. If we remove or restrict access to materials or terminate an account in response to a Notification of alleged infringement, we will make a good faith effort to contact the affected user with information concerning the removal or restriction of access, which may include a full copy of your Notification (including your name, address, phone, and email address), along with instructions for filing a counter-notification. Notwithstanding anything to the contrary contained in any portion of this Policy, Blah Face, LLC reserves the right to take no action upon receipt of a DMCA copyright infringement notification if it fails to comply with all the requirements of the DMCA for such notifications.

COUNTER-NOTIFICATIONS
